

Packaging for your life.

**RIGID ALUMINIUM TUBE
WITH CHILD-RESISTANT STOPPER**

DESCRIPTION

Our LINHARDT complete system, consisting of a rigid aluminum tube and a tamper-evident CR stopper, contributes in multiple ways to your product's safety: The certified child-resistant, senior-friendly stopper protects against incorrect usage.

The aluminum tube is light, stable, shatterproof and has excellent barrier properties. All these benefits ensure that your filling material is optimally protected from external influences.

All components are provided from one source – Contact us for more information!

TECHNICAL DATA

- Tube diameter 22 mm, tube length 90 mm – 180 mm
- Tube diameter 27.7 mm, tube length 51 mm – 199 mm
